

Team Captains

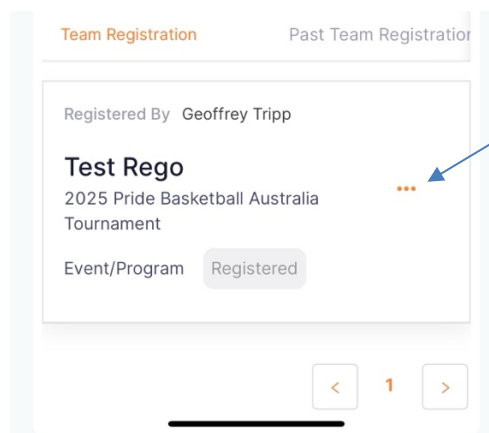

Once your team is registered in the 2025 Pride Basketball Australia Tournament, you can invite players to your team.

- 1) Download the Basketball Connect app (it's free).

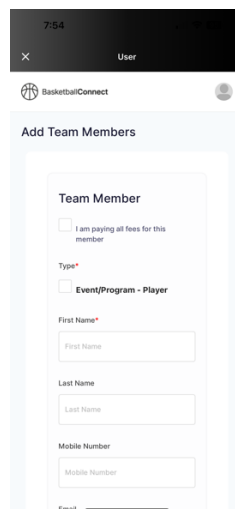

https://play.google.com/store/apps/details?id=com.wsa.basketball&hl=en_AU

<https://apps.apple.com/au/app/basketballconnect/id1546570930>

- 2) Once logged in to the app click “more”, located bottom right of the screen.
- 3) Click “My Profile” then click “My Full Profile”.
- 4) Scroll down to your Teams Registration, click the 3 dots and select “Add team members”

- 5) If you are paying the fees for your team, tick the top box, if not, leave this box unticked and the player you have added will be required to pay.

- 6) Tick “Event/Program – Player” box & fill in the required fields and hit submit.

Once you have completed, the person you’ve added will receive an email advising them that they have been added to a team and will be required to complete their part and confirm their registration.

As the team manager, you will also receive a confirmation email on who you have invited and added to your team.
